**Notice**  
**No. 15 - 71**

**1 February 1971**

**SUBJECT: Exhibit on Drugs and Narcotics**

25X1A 1. An exhibit centering on the theme, "Drug Abuse," will be on display at 1000 Glebe Road, Room 431, during normal duty hours from 1 - 5 February 1971. The exhibit will also be available for viewing in the [REDACTED] Room 224, during the week of 8 February.

2. The physicians of the Office of Medical Services believe that drug abuse is a clear danger which warrants the serious attention of every citizen. As a service to Agency employees, OMS is prepared to discuss the medical aspects, prevention, complications, and treatment of drug abuse with either individuals or groups who may wish further information. Arrangements for this service can be made by telephoning the OMS Consultative Services, extension 7442.
